

Parkinson's UK

Barnsley and District Branch

Minutes of 'virtual' Finance Sub-Committee meeting held on 24th November 2020

Present

Philip Thompson, Terry Kendall, Kathie Sharman, George Spencer, Sheila Ireland, Ken Booth, Granville Dransfield, Doris Wragg (part)

The Sub-Committee confirmed that all members on the latest membership list would receive a Marks & Spencer £10 voucher with the exception of committee members, i.e. 128 members. These will be sent out with the December newsletter.

The last invoice received from the Hospice was from July to September. The invoices from Crossroads Care will be set against the SYCF recovery grant along with the present and future invoices from the Hospice. The situation will be reviewed at the committee meeting in February to see how it relates to the grant of £2,000.

Philip will arrange mid-term reviews of the service level agreements with the Hospice and Crossroads Care early in January 2021.

Kathie referred to the documents she had previously circulated giving a breakdown of this year's income and expenditure up to the 31st October, together with a document showing the position with regard to restricted funds.

With regard to next year, Sheila has planned the programme after Easter - speakers have been arranged for the branch meetings, the visit to the York Railway Museum will take place in July, the afternoon tea at Cannon Hall in September and the Christmas party in December. A carer's day and a bowling session in the autumn will be added to the programme.

Philip will start negotiations with Bronia in the New Year with a view to setting up a service level agreement subject to a satisfactory venue being found. We will consider the Emmanuel if they are prepared to relax their stringent requirements otherwise we will consider the Metrodome.

Philip, Kathie and Terry will be attending the 'virtual' annual review meeting with Rose on Tuesday, 1st December and will report back at the next committee meeting on Tuesday, 8th December.

25th November, 2020.
